# THE SAINT MEINRAD TONES

The music for each verse of the psalm consists of the reciting tone, one or two preparatory notes, and the dotted note that corresponds to the final accent of the verse.

<i>Reciting Tone</i>	<i>Preparatory notes</i>	<i>Final Accent</i>
		
Sing a new song	to the	Lord

When singing these psalm tones, it is important to **avoid treating every syllable as if they were of equal importance.** Rather, it is essential to maintain the flow and rhythm of natural speech.

The first line of each pair of melodies is for 2 to 4 line stanzas. For 2-line stanzas, use the first and last sections of the 4-line tone. 3-line stanzas use the first, second and last sections of the 4-line tone. The second line is for 5 or 6 line stanzas. For 5-line stanzas drop the section marked “5 line omit”.
